PURE OLOVE #3 - MOISTURE LEAVE-IN TREATMENT pH 5.5

PURE OLOVE 3 MOISTURE LEAVE-IN is a daily treatment to rejuvenate dull dry hair. Pure Olove Moisture Leave-In Treatment is enriched with natural vitamins E and B, Certified Olive Oil, Green Tea, Kiwi & Pomegranate. This potent complex seals colour, creates brilliant shine and acts as an anti aging complex while giving the hair a slight amount of volume & superior brush glide.

#3 features THREE rich botanicals from the Amazon Rain Forest

- ✱**Euterpe Oleracea (Acai Berry) Fruit Oil** rich in antioxidants, vitamins, minerals, essential fatty acids & nutrients that create an energetic overall well-being.
- ✱**Bertholletia Excelsa (Brazil nut) Seed Oil.** The oil is rich in fatty acids and vitamins A, B, C and E. Brazil nut provides powerful antioxidant properties and has been used to treat skin disorders like eczema, acne and rosacea. As a hair conditioner it helps revitalize dry, lifeless hair, repairs split-ends and leaves the hair soft and silky.
- ✱**Theobroma Grandiflorum (Cupuaçu butter)** coo-poo-ah-sue. Highly beneficial for dry and damaged skin and hair, promoting deep, long lasting hydration. Natural UV protector capable of filtering & absorbing damaging UV rays. Reduces the signs of aging and promotes younger-looking skin.

Usage: Use daily for added moisture or when the hair needs extra moisture. Evenly distribute a small amount through clean towel dried hair, then Style. For additional shine cocktail a small amount of Pure Olove Moisturizing Serum shine drops if desired. Style as usual.

Salon Tip: Apply after any salon chemical service to replenish moisture, smoothness & shine.

Recommended: For Fine to Medium Textures & Chemically Challenged Hair. Great! after any salon chemical service to replace moisture loss.
